

# Summer Bucket List

# Summer Bucket List

| <i>Bucket List Item</i> | <i>When?</i> | <i>Done!</i> |
|-------------------------|--------------|--------------|
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |
|                         |              |              |

# Notes

# Looking for More Ideas?

Hey there! I hope that creating your Summer Bucket List has inspired you to go and squeeze all the wonder out of your summer! I'd love to hear how it goes for you!

If you're looking for more ways to add more wonder to your life, check out these resources from Wonder & Sundry!

*Sara*
